THE
South-Carolina GAZETTE.
[NUMB. 1763.]

THURSDAY, JULY 6, 1769.

WE, His Majesty's dutiful and loving Subjects, the Inhabitants of SOUTH-CAROLINA, being sensibly affected with the great Prejudice done to GREAT-BRITAIN, and the abject and wretched Condition to which the BRITISH COLONIES are reduced by several Acts of Parliament lately passed; by *some of which* the Monies that the Colonists usually and chearfully spent in the Purchase of all sorts of Goods imported from GREAT-BRITAIN, are now, to their great Grievance, wrung from them, without their Consent, or even their being represented, and applied by the Ministry, in Prejudice of, and without Regard to, the real Interest of GREAT-BRITAIN, or the Manufacturers thereof, almost totally, to the Support of new-created Commissioners of Customs, Placemen, parasitical and novel ministerial Officers; and *by others of which Acts*, we are not only deprived of those invaluable Rights, Trial by our Peers and the Common Law, but are also made subject to the arbitrary and oppressive Proceedings of the Civil Law, justly abhorred and rejected by our Ancestors, the Freemen of England; and finding, that the most dutiful and loyal Petitions from the Colonies ALONE, for the Redress of those Grievances, have been rejected with Contempt, so that no Relief can be expected from that Method of Proceeding; and, being fully convinced of the absolute Necessity, of stimulating our Fellow-Subjects and Sufferers in GREAT-BRITAIN to aid us, in this our Distress, and of our joining with the Rest of the Colonies, in some other loyal and vigorous Methods, that may most probably procure such Relief, which we believe may be most effectually promoted by strict OECONOMY, and by encouraging the MANUFACTURES of AMERICA in general, and of this Province in particular: WE THEREFORE, whose Names are underwritten, do solemnly promise, and agree to and with each other, That, until the Colonies be restored to their former Freedom, by the Repeal of the said Acts, we will most strictly abide by the following RESOLUTIONS.

I. That we will encourage and promote, to the utmost of our Power, the Use of NORTH-AMERICAN MANUFACTURES, in general, and those of this Province in particular.

II. That we will upon no Pretence whatsoever, import into this Province, any of the Manufactures of GREAT-BRITAIN, or other Goods and Wares usually received from thence, other than such as may have been shipped in consequence of former Orders; and we do solemnly promise and declare, that we will immediately countermand all Orders to our Correspondents in GREAT-BRITAIN for shipping any such Goods, Wares and Merchandizes, excepting only NEGRO CLOTH, DUFFIL BLANKETS, OSNABRUGS, PLANTATION and WORKMENS TOOLS, POWDER, LEAD SHOT, CANVASS, NAILS, SALT, COALS, WOOL CARDS, CARD WIRE, printed BOOKS and PAMPHLETS: Nor shall this Agreement influence us, to raise the Prices of the British Manufactures or other Goods and Wares any of us have now to dispose of, or of such as may arrive before our countermanding Orders get to Hand.

III. That we will use the utmost OECONOMY, in our Persons, Families, Houses and Furniture; particularly that we will use NO MOURNING, nor give Gloves and Scarves at Funerals.

IV. *That we will not, upon any Pretence whatsoever, directly or indirectly import, or purchase, any NEW NEGROES or Slaves, brought into this Province for Sale, from and after the 1st Day of January, 1770.*

AND, LASTLY, That we will look on every Inhabitant of this Colony, who refuses or neglects to sign this Agreement within one Month from the Date hereof, as no Friend to the true Interest of the Colony, and we will, upon no Account, *at any Time thereafter*, purchase from, or sell to such Person, any Goods or Merchandize whatsoever: *Nor will we purchase any British Manufactures, or other Goods usually imported from Great-Britain, from any transient Persons importing the same from any Place whatever.*

GIVEN under our Hands the Twenty-Eighth Day of June, 1769.

Blank Copies of the above Agreement may be had, by any Gentlemen desirous of promoting so laudable and at this Time evidently necessary a Measure, at TIMOTHY's *Office in Broad-Street: Where, and at Mr.* ISAAC MOTTE's *on the Bay, and* CHRISTOPHER GADSDEN, *Esq'rs; a List of the Names of many respectable Gentlemen that have already set their Hands thereto may be seen, and where all that incline may add theirs.*

Gentlemen in the Country possessed of the Form without the Additions, are desired to return them, and to transmit the Names that shall be subscribed to this, as frequently as possible, to either of the above Gentlemen, or said TIMOTHY's Office, where an exact Register of them is intended to be kept.

☞ In the above Form a FOURTH ARTICLE has been introduced, by the unanimous Desire of a great Number of the Inhabitants collected together, with an EXPLANATORY ADDITION to the last, which are distinguished by being printed in *Italicks*.

As the signing ONE and the SAME FORM by all the Inhabitants of the whole Province, will manifest their UNANIMITY, and must of Course have the greater Weight; so it may be proper, that Gentlemen should be particularly cautious not to subscribe any but THIS; for although others might vary little or not at all in Substance, yet artful and designing Men might thence take Occasion to insinuate a DIVISION in Sentiments.

He hath framed a WHARF, upon the river, to the eastward, of about 340 feet in length from south to north, where any ship that can come over the Bar may lie and load, and where any of the produce of the province may be landed, without a moment's loss of time, at either high or low water;

And hath begun to dig a DOCK, intended to be full 80 feet wide at least, and to have six feet water at high tide, contiguous to a LONG WHARF, also intended to be made, at the north side of his land, and which he makes no doubt of finishing this year; so that the purchasers of his Lots, may have their wood and other heavy articles conveyed to their doors, at as little expence as *in any* part of Charles-Town.

Such persons as will promise to improve them within *a year*, or *eighteen months*, from *the date hereof*, may have their timber, bricks, lime and other materials for building on said Lots, landed at either of his wharves, within the above-mentioned time, FREE OF CHARGE.

He takes this private method of disposing of his Lots, rather than by public sale, in order to avoid (if possible) being pestered with dram-shops, and other nusances, that may make the neighbourhood disagreeable.

LONDON, May 3.

The following is the copy of the Inſtructions ſent from the town of Newcaſtle-upon-Tyne, to their Repreſentatives.

To Sir WALTER BLACKETT, *Baronet, and* MATTHEW RIDLEY, *Eſqr. Repreſentatives of the town of Newcaſtle-upon-Tyne.*

GENTLEMEN,

WE, your Conſtituents, the free Burgeſſes of Newcaſtle-upon-Tyne, dutifully affected to his preſent moſt gracious Majeſty, and zealouſly attached to his illuſtrious houſe, fully ſenſible of the value of the laws and conſtitution which we have derived from our anceſtors, and firmly reſolved to preſerve this inheritance entire as we have received it, think it our indiſpenſable duty, at this time of national diſcontent, as it is our undoubted right, to inſtruct you our Repreſentatives in Parliament, as follows;

I. That you carefully watch over that great bulwark of our libertics the Habeas Corpus Act; that you enquire into, and puniſh, any attempt that may have been made to evade the force of that law.

II. That you endeavour to continue to us, and to confirm our old conſtitutional rights of juries, and that all trials for libels, and other criminal proceſſes, be carried on agreeable to the known rules of the law; and that you zealouſly diſcourage all new and unuſual puniſhments, tending to take away or diminiſh the benefit of trial by juries.

III. That you preſerve inviolate the privileges of parliament as well as the right of the electors; that you uſe your utmoſt endeavours to prevent the expulſion of any man, who ſhall appear to you to have been elected by a majority of legal votes; and that at this time you exert yourſelves in ſupporting this right to the Freeholders of Middleſex, which we have obſerved of late repeatedly violated.

IV. That you moſt earneſtly promote a bill or bills for ſhortening the duration of Parliaments; for limiting the number of placemen; excluding all penſioners and contractors; and that the bribery oath be adminiſtered to the candidates as well as the electors.

V. That you uſe your utmoſt endeavours to put the civil magiſtracy of this kingdom on a more reſpectable footing, and thereby remove the pretence of calling in a military force; and preſerve this nation from a calamity, which has already been fatal to the liberties of every kingdom around us, and which we at this time are beginning to feel.

VI. That you uſe your beſt endeavours for having a ſtanding committee appointed, to examine the ſtate of the public accounts.

VII. That you exert all your abilities to ſupport and extend the trade and manufactures of this nation in every branch; and that you will heartily join in all meaſures for reconciling the unhappy differences ſubſiſting between this Kingdom and its Colonies.

VIII. That you will oppoſe the giving public money for the purpoſes of creating new and unneceſſary places, for the augmentation of the ſalaries of old ones, or for the grant of penſions to the members of both or either Houſe of Parliament.

IX. That you give no countenance to the dangerous doctrine of conſtructive treaſons, or to the application of doubtful or uncertain laws to this intereſting object, nor ſuffer miniſters to be inveſted with vague and diſcretionary power of judging on, or proſecuting this offence.

X. We leave it to your conſideration whether any redreſs can be obtained in behalf of the ſubject, for the better ſecurity of their properties againſt the ſecret attacks of the moſt diſſolute and abandoned of the people; who, from a reſolution of never ſubmitting to any honeſt or uſeful employment, betake themſelves to the practice of lodging informations in the court of exchequer, of pretended illegal commerce practiſed by individuals, whereby, from the mode of procedure in that court, both the innocent and the guilty are generally ſubjected to equal puniſhment and diſtreſs.

Finally, We deſire you to accept our moſt ſincere thanks for your unwearied diligence in oppoſing the bill for extending the Coventry canal to Oxford, and though your Endeavours have not met with the deſired ſucceſs, yet we are perſuaded, from the great diminution of ſhipping that muſt neceſſarily be occaſioned thereby, future adminiſtrations will revive this object, and aid your meaſures in ſupporting and encouraging that great nurſery of Engliſh ſecurity and ſtrength, the coal trade.

THE SUBSCRIBER,

HAVING for ſix months paſt, been engaged in the ſervice of his Majeſty's Cuſtoms, many of his friends imagined he had left off his buſineſs of KEEPING and ADJUSTING ACCOMPTS: As he has now declined the ſervice of the Cuſtoms, he informs his Friends, and the Public, that he continues his former method of keeping and adjuſting Books, ſettling intricate Accompts of every nature, ſuch as Merchants, Partnerſhip, Ships, Planters, Tradeſmen or Executors Accompts; all which he can undertake and ſettle, with the utmoſt cleanneſs, and he hopes that his diſpatch, and moderate charge, will be a pleaſing ſatisfaction, and encourage the Public to apply to *Their Moſt humble Servant*, JACOB VALK, at his Lodgings, at Mrs. *Dauſon's* in Tradd-ſtreet.

WHEREAS PETER HARRIS, Mattroſs in Captain WILLIAM GOSTLING's company, of the above mentioned regiment, has abſented himſelf from the company: if the ſaid PETER HARRIS, will ſurrender himſelf, in thirty days from the date hereof, Captain GOSTLING will intercede for a pardon for him, as he is very young in the ſervice, and may be afraid to return. If he does not return in the above mentioned time, he will be advertiſed with the proper deſcriptions of his perſon, and the reward for apprehending deſerters; but in caſe ſickneſs, or any other misfortune ſhould hinder him, of returning in the time above mentioned, by writing to Captain GOSTLING, or the Paymaſter of the company, the nature of ſuch hindrance, and place of abode, may hinder any other advertiſment being iſſued.

N.B. He has been ſeen lately on his way to George-Town.

TAKEN UP, by Mr. WILLIAM WAIGHT, a ſquat grey MARE, about 13 hands high, four or five years old, neither broke or branded. Any perſon claiming the ſaid ſtray, muſt prove the property before WILLIAM BOONE.

John's-Iſland, July 3d, 1769.

To his Excellency the Right Hon. Lord CHARLES-GREVILLE MONTAGU, *Captain-General, Governor and Commander in Chief, in and over his Majeſty's Province of* South-Carolina, *and Vice-Admiral of the ſame.*

The humble ADDRESS of his Majeſty's COUNCIL.

May it pleaſe your Excellency,

WE, his Majeſty's dutiful and loyal Subjects, the Council of this Province, met in General Aſſembly, return our Thanks to your Excellency, for your Speech delivered Yeſterday to both Houſes.

We beg Leave to aſſure your Excellency, that nothing can give us a more ſenſible Satisfaction, than to have it ſoon in our Power to give that Redreſs to the Inhabitants of the back Parts of this Province, which they ſo much ſtand in need of, by doing all that is in our Power to promote the paſſing ſuch Laws as may be conducive to that Purpoſe.

As the putting the Indian Trade under a proper Regulation, may be of the greateſt Conſequence to this Province, your Excellency may depend upon our utmoſt Endeavours towards the paſſing of ſuch Laws as may tend to keep up a good Harmony betwixt the Indians and us.

The Bounty granted on the Importation of Silk from the Colonies to Great-Britain, cannot fail of giving us great pleaſure, as it will probably be of great ſervice both to the Mother-country and the Colonies: To the Mother-Country, by keeping that caſh amongſt her own Subjects, that would otherwiſe go to Foreigners; and to the Colonies, by giving them another ſtaple Commodity.

We do not in the leaſt doubt your Excellency's Inclination to do every Thing that lies in your Power for the Good of the Province; and we hope your Excellency will do us the Juſtice to believe, that we ſhall always with the greateſt Pleaſure join our Endeavours with your Excellency for that good Purpoſe.

By Order of the Houſe,
OTHNIEL BEALE.

In the Upper Houſe of Aſſembly, the 28th Day of June, 1769.

To His Excellency the Right Honourable Lord CHARLES-GREVILLE MONTAGU, *Captain-General, Governor and Commander in Chief, in and over His Majeſty's Province of* SOUTH-CAROLINA.

The Humble ADDRESS of the COMMONS HOUSE OF ASSEMBLY of the ſaid Province.

May it pleaſe your Excellency,

WE, His Majeſty's moſt dutiful and loyal Subjects the Commons Houſe of Aſſembly of the Province of South-Carolina, beg Leave to return your Excellency our Thanks for your Speech delivered in General Aſſembly on Tueſday laſt; particularly for the Aſſurances there given us, of your Excellency's Concurrence and Support in every Meaſure calculated to promote the true Welfare and Happineſs of the Province.

We are extremely concerned, that the neceſſary and conſtitutional Reſolutions of the late Commons Houſe of Aſſembly ſhould have given ſuch Offence to Government, as to occaſion the late long Diſcontinuance of the Sitting and Holding of the General Aſſembly, when the Circumſtances of the Province abſolutely required their Meeting; but more eſpecially, when we conſider that the ſaid Diſcontinuance was extended beyond the Time expreſsly limited, both by the Election-Law paſſed in the Year 1721, and by the conſtant Uſage and Cuſtom from that Time.

As we are willing to believe, that your Excellency did not mean, by this Step, to infringe a Right of the People of this Province, which we, their Repreſentatives, can upon no Conſideration give up; ſo we hope, that what has been done on this Occaſion, will neither be drawn into Precedent, or repeated for the future.

Your Excellency may depend upon our proceeding on the Buſineſs recommended to us, with the utmoſt Diligence, tho' we deſpair of carrying on the ſame with greater Temper, Prudence, Unanimity or Expedition, than the laſt Houſe ſeemed inclined to have done.

We are inſenſibly affected with the Diſtreſſes of our Fellow Subjects in the Back Settlements, for Want of that ſpeedy and eaſy Acceſs to Juſtice, which they have a Right to, under the Britiſh Conſtitution: Happy are we, that their Diſtreſſes cannot be imputed to the Repreſentatives of the People, who have been always ready to hear their Complaints, and to redreſs their Grievances; and who, notwithſtanding the little Succeſs their repeated Attempts have been attended with, will, with Alacrity, reſume the Conſideration of that Matter; as well as of the Regulations neceſſary for conducting the Indian Trade.

We aſſure your Excellency, that we will make ample and ſpeedy Proviſion for the Payment of the Public Debts.

We are truly ſenſible of, and grateful for, all the Favours conferred on us by the Mother-Country; and we ſincerely wiſh, the Bounty lately granted on Silk, may operate, ſo as to produce ſuch a Quantity of that Commodity, as may be beneficial to this Colony, and may prevent Great-Britain being obliged to ſeek a precarious Supply of that neceſſary Article of her Manufactures from Foreigners.

In the Commons Houſe of Aſſembly, the 1ſt Day of July, 1769.

By Order of the Houſe,
PETER MANIGAULT, *Speaker.*

To which HIS EXCELLENCY was pleaſed to give the following ANSWER.

Mr. Speaker, and Gentlemen of the Commons Houſe of Aſſembly,

I RETURN you my Thanks for this your Addreſs: And can aſſure you, it was never my Intention, to infringe any Rights of the People; particularly when they have the Sanction of Law.

C. G. MONTAGU.

TEN POUNDS reward will be given to any perſon that will deliver them in Charles-Town, to JOHN WOOD.

CHARLES-TOWN, July 6.

IN Conſequence of an Advertiſment in laſt Thurſday's Gazette, for a Meeting of the MECHANICKS and other Inhabitants of Charles-Town, a very large Body of them aſſembled under LIBERTY-TREE on Monday Afternoon, at five o'Clock; and appointed a Committee, to conſider and report, whether the Form of Agreement lately publiſhed might not be in ſome Parts amended, which Committee immediately took the Matter recommended to them under Conſideration, while the whole Body agreed to meet again at the ſame Place and Hour, on Tueſday Afternoon. On Tueſday they met accordingly, and the Committee having reported and recommended, the Additions inſerted in *Italicks* in the preſent Form viz. *Article* IV. *and the latter Part of the laſt*, which ſeemed to be the Deſire of the Inhabitants of the whole Province, and for want whereof many had declined ſigning before; the ſame were unanimouſly and chearfully agreed to, and ſubſcribed by upwards of Two Hundred and Thirty, amongſt them many of our preſent worthy Repreſentatives; and now it is thought there is ſcarce a good Man in the Province that will heſitate to add his Name. The Zeal of the People to enter into this neceſſary Meaſure even far exceeded the Expectation of the warmeſt firſt Promoters.

Upon examining the Imports of NEGROES, from the Year 1736 to 1766, it appears, that 23,743 were brought into this Province in that Period; the Medium of which is 2374 a Year; but if the laſt of thoſe Years is taken off, (when 6701 were poured in upon us, on Account of the high Duty that was to take Place the Year following, and which did put an entire Stop to the Importation till laſt January) the Medium is then only 1894. From the 1ſt of January laſt to the 1ſt Inſtant, no leſs than 4233 have been imported, and near as many more, we hear, are expected, before the cloſe of the Year, notwithſtanding ſeveral Veſſels that were intended here, have met, and will meet with Orders in the Weſt-Indies, to ſell there.---*There ſurely needs no Comment upon this; every Man's own mind muſt ſuggeſt the Conſequences of ſuch enormous Importations, in every View, eſpecially at this Time.*

Such an exceſſive Drought at preſent, prevails in this Province (and we are told extends to the North-Eaſtward, as far as Virginia) that few Planters have any Proſpect of raiſing a ſufficient Quantity of Indian Corn, for the Subſiſtance of their Slaves, much leſs for Exportation; and that the Drivers of Cattle for our Markets, have already been under the Neceſſity of digging to ten Feet in Depth, to procure Water for them in many Places on their Way down.---There has been no Appearance of ſuch a Drought ſince the Year 1752.

We are informed, that a Drought likewiſe prevails in ſeveral of the Weſt-India Iſlands.

We hear, that ſome Planters have already given Orders to their Factors, not to purchaſe from, or ſell to, any Merchants who refuſe coming into the Meaſures now thought abſolutely neceſſary.

Friday Afternoon there was a Meeting of the Body of Merchants, at Mr. Dillon's, which was very conſiderable: They appointed a Committee of Seventeen, to conſider and report what would be the moſt proper Determination for them to come to, in the preſent Criſis; which Committee met Yeſterday Afternoon, and are, we hear, to give in their Report on Monday next, the 10th Inſtant.

Among the Articles of our Exports this Year, TOBACCO will make no inconſiderable Figure; upwards of 100 Hogſheads are now ſhipping in one Bottom. It is reckoned equal to that made in Virginia, and, though brought to Town chiefly by Land-Carriage, is ſold cheaper than in Virginia or Maryland.

The Price of TANNED LEATHER has been raiſed here, within a very few Years, Two-Fifths: If it ſhould be, now the Duty upon Importation is taken off, engroſſed and exported to *Great-Britain*, how are the SADLERS, SHOE MAKERS, and other Workers in that Branch, to ſupply the vaſt Demand for a Variety of Articles in their Way, in this Province?

We are aſſured of it, as a Fact, that after the 28th Inſtant, a SOCIETY will be formed, which will give Premiums and other Encouragements, to thoſe who ſhall raiſe the moſt SHEEP, COTTON, SILK, and FLAX, manufacture the *moſt* in Quantity and *beſt* in Quality of *coarſe* and *fine* LINENS, CLOTHS, PAPER, STOCKINGS, &c. &c. &c. in this Province. And that a Reſolution will ſoon be taken to kill no more LAMB, for a limited Time.

Daniel Curling, and will embark for England, with his Family, about the 20th of this Month; when the Government will a fourth Time devolve to the Honourable WILLIAM BULL, Eſq; Lieutenant-Governor.

Sir John Colleton, Bart. we hear, will alſo embark for England, about the ſame Time, when there will be only Five Members of His Majeſty's Council left in the Province.

Sunday laſt ſailed with the Mails for Falmouth, his Majeſty's Packet-Boat *Eagle*, commanded by Captain *Jeremiah Beale*.

On Tueſday the hired temporary Packet-Boat *Betſey*, commanded by Captain *Arthur Clark*, to ſail between this, Jamaica, Penſacola, and back again, ſailed from this Port on her firſt Voyage.

We are informed, that the Houſe Yeſterday unanimouſly reſolved to diſagree to the Petition propoſed by the Agents; and have ordered that Mr. PITT's Statute, cutting by *Mr.* WILTON, of London, be ſent out as ſoon as finiſhed.

A Bill for eſtabliſhing CIRCUIT COURTS in this Province, has already been brought into the Commons Houſe of Aſſembly, read a firſt Time, and, we hear, is now going through a ſecond Reading.

It is ſaid that, in Conſideration of the great Inconveniences and Grievances to which the BACK SETTLERS are ſubject, as ſoon as the Circuit-Court Bill is gone through, another Bill will be preſented to the Houſe, *for eſtabliſhing temporary County Courts.*

Boston, April 14, 1769.

THE Honourable the Commissioners of his Majesty's Customs, observing that ships and vessels frequently incur forfeitures, and their owners become subject to heavy penalties, thro' the misconduct or negligence of the masters and seamen; and particularly by the masters not making true reports of their cargoes, which they sometimes pretend they are not able to do, from the manner that they take in their loading at foreign ports: And at other times they pretend, that the seamen take on board private ventures, and secret the same from their knowledge, so as to be landed clandestinely upon their arrival, without payment of duty.

And several ships and vessels, seized for the commission of offences of this kind, having been released in consequence of such representations from the owners. The Commissioners think it necessary to advertise, for the information of all persons whom it may concern, That upon the detection and discovery of any such offences, in future, the same will be prosecuted as the law directs; so that it behoves the owners to suppress the custom of suffering the seamen to take in private ventures; and also to admonish the masters to be punctual in taking an account of their cargoes, and to pay a strict regard to their oaths in reporting the same, as well at the ports of their first arrival, as the ports of entry in NORTH-AMERICA.

By Order of the Commissioners.
